The Department of the Navy system of records N03501-3, Readiness and Cost Reporting Program (RCRP) Records (July 22, 2010, 75 FR 42719), is being rescinded because these records are now maintained as part of the DoD-wide system of records titled DoD 0004, Defense Repository for Common Enterprise Data (DRCED), which covers records maintained to support the DoD's defense business enterprise by using technology for readiness reporting and to synchronize and normalize data to improve affordability, performance, reporting, and mission readiness.

The DCAA system of records RDCAA 240.5, Standards of Conduct, Conflict of Interest (January 3, 2011, 76 FR 114), is being rescinded because these records are now maintained as a part of the government-wide system of records titled OGE/GOVT-1, Executive Branch Personnel Public Financial Disclosure Reports and Other Name-Retrieved Ethics Program

The DCAA system of records RDCAA 240.3, Legal Opinions (February 5, 2015, 80 FR 6501; January 3, 2011, 76 FR 115), is being rescinded because these records are now maintained as a part of the government-wide system of records titled OPM/GOVT-1, General Personnel Records, which covers general personnel records of current and former Federal employees as defined in 5 U.S.C. 2105, or OPM/GOVT-3, Records of Adverse Actions, Performance Based Reduction in Grade and Removal Actions and Termination of Probationers, which covers records that result from the proposal, processing and documentation of these actions taken either by the OPM or by agencies against employees in accordance with OPM regulations.
